Work Sheet for Player Penalties – Spring 2018 Season

This is a post match work sheet for determining player EAQ penalties for New Members and Substitutes that do not have an EAQ from the Fall 2017 or Spring 2017 Season and that do not have a current EAQ. If the player in question does have an EAQ we refer you to the "*Work Sheet for Player Eligibility*". This work sheet is to be used along with "EAQ, Team EAQ, Division Parameter & Parameter Plus 20; Descriptions & Applications"

*****Division Directors*** Please note that New Members are allowed to shoot up to 25% above the EAQ listed for them on the Division Roster before incurring penalties. Also review the number of qualities a New Member or Substitute can shoot without any penalties prior to completing this work sheet (L4,C1,C2 = 1 ~ L2, L3, B1,B2 = 2 ~ A1, A2 = 3).**

Division _____ Date _____ Week of Play _____
